Registration Guide — How to Register for Konkani Sammelan 2027

This guide walks you through registering for **Konkani Sammelan 2027** (June 29 – July 3, 2027, sailing from Cape Liberty, NJ to Halifax, Nova Scotia aboard Royal Caribbean). One registration covers your entire family or travel group — you'll enter yourself as the **Primary Registrant** and add everyone sailing with you underneath.

Good news: the \$330 registration fee has been fully waived by NAKA for this Pearl Jubilee milestone event. There is nothing to pay during registration — you'll only pay a deposit later, directly with the cruise partner, when you book your cabin.

Before You Begin

Have the following on hand for yourself and everyone traveling with you:

- Full legal name for each traveler, exactly as it appears on their passport
- Gender and age group (Infant, Child, Youth, Adult, or Senior) for each traveler
- A valid email address and 10-digit mobile number for the primary registrant
- Resident country and t-shirt size for each traveler

Tip: The email and phone number you enter for the primary registrant are how you'll look up or modify this registration later — use ones you check regularly.

Step 1: Open the Registration Page

The registration form opens with a banner confirming the fee waiver, an “Already registered?” link (see the last section of this guide), and Section 1, Primary Registrant.

The main registration form is titled 'Primary Registrant' and contains several fields: First Name, Last Name, Gender, Age Group, Email Address, Mobile Number, Resident Country, and T-Shirt Size. Each field has a red asterisk indicating it is required. At the bottom of the form is a question about volunteering on-site with 'Yes' and 'No' buttons.

Each family member needs a name, gender, age group, resident country, and t-shirt size. Email and mobile number are optional for family members — leave them blank and they'll be treated as the same as the primary registrant's. Click “× Remove” on any card to delete that traveler.

Step 4: Check for Missing Fields

If you try to submit with required fields left blank, a red notice appears at the top of the form and the page scrolls to the first field that needs attention. Fix any highlighted fields and try again.

Already Registered? Finding or Modifying Your Registration

After you submit a lookup, a one-time passcode (OTP) is emailed to the address on file. Enter that 6-digit code to unlock your registration for editing. The code expires after 10 minutes — check your spam folder if it doesn't arrive, and use “Resend OTP” if needed.
